I. PURPOSE

The Compensation Committee (“*Committee*”) is appointed by the Board of Directors (“*Board*”) of NGL Energy Holdings LLC (“*General Partner*”) acting in its capacity as the general partner of NGL Energy Partners LP (“*Partnership*”) for the purposes of (a) discharging the Board’s responsibilities relating to the compensation of the General Partner’s chief executive officer (“*CEO*”), (b) reviewing and approving the compensation of the General Partner’s other executive officers, (c) administering the General Partner’s equity-based compensation plans and (d) reviewing the disclosures in the Compensation Discussion and Analysis and producing an annual compensation committee report for inclusion in the Partnership’s Annual Report on Form 10-K.

This charter (“*Charter*”) sets forth the authority and responsibilities of the Committee in fulfilling its purpose.

II. RESPONSIBILITIES

In addition to such other duties as the Board may from time to time assign to the Committee, the Committee shall:

- in consultation with senior management, establish the General Partner’s general compensation philosophy and objectives with respect to executive officers;
- at least annually evaluate the CEO’s performance in light of the General Partner’s goals and objectives and based on this evaluation determine the CEO’s compensation level, including salary, bonus, incentive and equity compensation. In determining the long-term incentive component of the CEO’s compensation, the Committee shall consider, among other factors, the Partnership’s performance and relative unitholder return, the value of similar incentive awards to CEO’s at comparable companies, and the awards given to the General Partner’s CEO in past years.
- at least annually review and approve all compensation, including base salary, short and long-term (including cash and equity-based) incentive awards, and perquisites for non-CEO executive officers;
- review and recommend to the Board director compensation and incentive compensation;
- review and approve all employment agreements, severance arrangements, change in control provisions and agreements and any special supplemental benefits applicable to the General Partner’s executive officers;
- review and approve incentive compensation and equity-based plans;

- administer the General Partner’s equity-based compensation plans, including the grant of unit options and other equity awards under such plans;
- review and discuss with management the disclosures made in the Compensation Discussion and Analysis prior to the filing of the Partnership’s Annual Report on Form 10-K, and recommend to the Board whether the Compensation Discussion and Analysis should be included in the Annual Report on Form 10-K;
- prepare an annual compensation committee report for inclusion in the Partnership’s Annual Report on Form 10-K as required by the applicable rules of the Securities and Exchange Commission;
- at least annually conduct an annual performance evaluation of the Committee;
- review and reassess the adequacy of this charter on an annual basis and recommend any proposed changes to the Board for approval;
- review and approve any additional services to be performed for the General Partner or its affiliates by a compensation consultant or its affiliates during a fiscal year in which the Committee has retained such compensation consultant to provide advice or recommendations on the form or amount of executive and director compensation; and
- make periodic reports to the Board with respect to the discharge of its functions under this Charter.

The Committee may meet by telephone conference call or by any other means permitted by law or the General Partner’s limited liability company agreement. A majority of the members of the Committee shall constitute a quorum. The Committee shall act on the affirmative vote of a majority of members

Subject to the General Partner's limited liability company agreement, the Committee may act by unanimous written consent of all members in lieu of a meeting. The Committee shall determine its own rules and procedures, including designation of a chairperson pro tempore in the absence of the Chairperson, and designation of a secretary. The secretary need not be a member of the Committee and shall attend Committee meetings and prepare minutes. The Committee shall keep written minutes of its meetings, which shall be recorded or filed with the books and records of the General Partner. Any member of the Board shall be provided with copies of such Committee minutes if requested. The Committee shall keep such other records of its meetings, as it deems appropriate.

The Committee may ask members of management, employees, outside counsel, or others whose advice and counsel are relevant to the issues then being considered by the Committee to attend any meetings and to provide such pertinent information as the Committee may request. The Committee shall have authority to delegate any of its responsibilities to one or more subcommittees, as the Committee may from time to time deem appropriate.

The Chairperson of the Committee shall be responsible for leadership of the Committee, including preparing the agenda, presiding over Committee meetings, making Committee assignments and reporting the Committee's actions to the Board as requested.

The Committee has the authority, to the extent it deems appropriate, to retain one or more compensation consultants to assist in the evaluation of director, CEO or executive compensation. The Committee shall have the sole authority to retain and terminate any such compensation consultant, and to approve such consultant's fees and other retention terms. The Committee shall review and approve any additional services to be performed by a compensation consultant or its affiliates during a fiscal year in which the Committee has retained such consultant to assist in the evaluation of director, CEO or executive compensation.
